Our Mission :

- ◇ Provide the Cedar Valley with educational opportunities regarding bicycle safety, bicycle repair, and bicycle riding.
- ◇ Promote environmental sustainability through the three Rs:

- ⚙️ Reducing our dependence on cars
- ⚙️ Re-using bicycles and parts
- ⚙️ Recycling damaged bicycles and parts

- ◇ Promote healthy living and wellness and strengthen families through bicycling
- ◇ Promote volunteerism in the community

You can support or join the CVBC through committed volunteerism, membership or monetary donations!

By joining the CVBC you will be part of the effort to help the community become more healthy through:

- ⚙️ Encouraging all to get on a bicycle and ride, exercise and recreate
- ⚙️ Participating in a Blue Zones designation
- ⚙️ Ecologically help the earth by keeping unused bicycles and parts out of landfills

WHO WE ARE

The Cedar Valley Bicycle Collective is a 501(c)(3) non-profit volunteer-driven community bicycle resource.

We are here to advocate bicycling as a viable means of transportation for commuting, fitness, and recreation.

We promote environmental sustainability by accepting any and all donations of bicycles and bicycle-related parts and accessories. Good quality bicycles, parts and accessories are available for purchase, while damaged bicycles and parts are separated and recycled.

COMMUNITY

To build a stronger Cedar Valley for all, we work with other community-based organizations to promote a healthy, diverse, and well-educated citizenry. Residents of the Cedar Valley can 'Earn-A-Bike' by volunteering for local non-profit organizations. We also serve the community by partnering with local agencies to host bicycle rodeos for local children.

EDUCATION

Want to learn how to work on your own bicycle? We offer bicycle repair clinics for volunteers as well as the general public. Everyone is welcome to join us for Mechanic's Night Mondays from 6-8 PM. Join our Facebook page or join our email list for information on future repair clinics!
